**JOINT STATUS REPORT REGARDING DISCOVERY AND CASE MANAGAGEMENT**

COMES NOW the United States of America, by and through Christopher J. Wilson, United States Attorney for the Eastern District of Oklahoma and Jessie K. Pippin, Assistant United States Attorney, and Jarred Jennings, Attorney for the Defendant, and submits this Joint Status Report Regarding Production of Discovery, pursuant to this Court's Order. (Doc. 57).

On October 12, 2023, the Defendant was indicted on four (4) counts related to the sexual exploitation of minors. (Doc. 2). The Defendant was arraigned on October 25, 2023. (Doc. 13). Pursuant to Local Criminal Rule 16.1(A), the Government's discovery has been uploaded to USAfx and made available to Attorney for the Defendant. The Government has produced approximately 3,500 pages of discovery and anticipates that additional discovery will be provided. Pursuant to 18 U.S.C. § 3509, a portion of the discovery, including device extractions with large amounts of data, required an in-person review by Defense Counsel at the Federal Bureau of Investigation. Counsel for the United States and Defense Counsel have conducted the in-person review. The Government will continue to make the data available to Defense Counsel at his request.

The parties have discussed discovery and case management, including potential resolution. Both parties are aware of their continuing discovery obligations and will make the other party aware on a rolling basis should any additional discovery become available. The parties anticipate that if a trial is necessary, it will take approximately five (5) days.

Respectfully submitted,

CHRISTOPHER J. WILSON  
United States Attorney
